0 of 0 people found the following review helpful. Actually has useful tipsBy Maximum VerbosityBought for a coworker who is the building maintenance person and she loves it. Useful tips to help in all parts of life. It's entertaining too - a fun change from the usual calendar.0 of 0 people found the following review helpful. not many hacks which aren't common knowledgeBy J.F.not much new information. interesting at best as a daily diversion0 of 0 people found the following review helpful. Great for Your OfficeBy Andrea NeilSo far we are only about 2 weeks into 2017 and I love every life hack I've seen so far. I look forward to each new day of tips and tricks!

Discover great shortcuts for things like household tasks, social life, work, and technology to make the little things in life even better and more fun!Did you know what air freshener kills ants without toxic fumes?Or that adding vinegar to your water when boiling eggs makes them easy to peel?Now you do...and you'll discover that and so much more with this practical calendar that is a day-by-day guide that uncovers many time-and money-saving solutions for everyday problems.Tips Like: If you drop something small but can't seem to find it. Put stockings over a vacuum cleaner and vacuum the area where you may have lost it. If you are stuck in a maze, touch the right hand wall. If you

follow this wall without breaking contact, you will eventually make it out of the maze. Freezing aloe vera in an ice cube tray can provide instant sunburn relief. A quick way to tell if an avocado is too ripe is to remove the stem. This allows you to look inside the avocado to see if it's yellow (which is good to eat) or black (which is too ripe).
