Cynthia Inions : Antiguo + Moderno before purchasing it in order to gauge whether or not it would be worth my time, and all praised Antiguo + Moderno:

Without imposing a style or following a trend, this innovative look at interior design explores architecture and furniture from widely different time periods and cultures whose combination makes for aesthetically beautiful interior spaces. From a modern apartment with antique furniture to a Georgian townhouse with a white contemporary interior, a series of international case studies provides in-depth profiles of homes that mix old and new elements for stunning effects. Solutions are offered for both traditional and contemporary interiors and for every room in the house from the kitchen to the home office. Sin imponer normas estilísticas ni seguir modas del diseño interior, este libro innovador explora la arquitectura y los muebles de pocas y culturas diferentes que juntas crean espacios interiores bellos. Desde un condominio moderno con muebles antiguos hasta un apartamento georgiano con un interior contemporáneo, la serie de ejemplos internacionales muestra casas cuya combinación de elementos modernos y antiguos es de una calidad más alta. Contiene ideas para casas tradicionales y contemporáneas, y para cada cuarto de la casa desde la cocina

hasta la oficina.
