Josephine Ryan, Hilary Robertson : French Home before purchasing it in order to gage whether or not it would be worth my time, and all praised French Home:

0 of 0 people found the following review helpful. French HomeBy Debbie L. DragonThis book was originally purchased for a French friend of mine. After perusing the book I decided to keep it for myself and get her another one later0 of 0 people found the following review helpful. I think that the texts are better than the pictures (few in my opinion)By Carmen Pacheco RubioI think that the texts are better than the pictures (few in my opinion). On other hand, the font size and type of the picture captions is very small, then their lecture is heavy when you have been reading a while0 of 0 people found the following review helpful. Not As ExpectedBy AlabamaI was disappointed. The photographs are muddy and instead of showing rooms in French Homes it mostly shows individual items or vingettes from the authors shop. Not what I expected.

French Home explores the elements that combine to create spaces that have an identifiably French feel; the classic architectural details that enhance the framework of each room, the beguiling textures and the elegant color palette that

flatter various styles of furniture, and exploring the options for lighting, mirrors, and paintings. Josephine also takes a look at furniture, textiles, lighting, ceramics, and glass, and suggests how best to display your French-style treasures. The second section, the Rooms, explores real homes that deftly synthesize these elements. French Home examines the sophisticated alchemy of a look that can be either lush and complex, or simple and pared-down.

About the Author Josephine Ryan is an antiques dealer and stylist. Compelled by the thrill of the find, Josephine loves hunting out quirky, unusual pieces and combining the unexpected. France's lifestyle, climate, and furniture is her greatest inspiration. She is also the author of *Essentially French* and *Essentially Irish* (both Ryland Peters Small).
