Joanne Lawson : Three Year Garden Journal before purchasing it in order to gage whether or not it would be worth my time, and all praised Three Year Garden Journal:

Gardening efforts yield the best results when carries out in a timely manner. This journal offers a wealth of gardening information and design ideas to guide both the novice and the experienced gardener in planning and recording the gardening year. The week-by-week gardening guide, organized into seven geographical regions, reflects the great diversity of climate and plant material in the United States and neighboring regions of Canada.
